DESCRIPTION

The main house is surprisingly spacious inside. A fitted kitchen (13m²) with wood beams and beautiful slate worktops and floor. The Lounge (22.5m²) is light and of good size with, again, wood floors and beams, and holds a large open fireplace. The hallway (4m²) leads you to a back door to the 1,758m² garden, and also, on one side, the large bathroom (7m²), (bath/shower, hand basin, wc & bidet) and an office/bedroom/storage room (7m²) - whichever suits your needs.

The wooden staircase takes you to the landing (5m²) and to 3 double attic rooms (B1-8m², B2-8m² & B3-6m²), all with wooden floors, beamed ceilings and double glazed Velux windows. Do not be fooled by the room sizes, as all have plenty of storage space in the eaves and one bedroom has potential for a walk in wardrobe. (All room sizes are approximate).

The renovation project has 4 rooms and once transformed, could become an excellent gite for extra income, and scope to make further rooms in the loft area. It has a good sized garden, and a storage shed, also for repair. This house has a lot of potential. A typical French cottage, just waiting to be loved. This is a total renovation project, but in the right hands, could be made into something really special. Mains water & electric is on site. (Approximate room sizes for the renovation) Front room 1 - 17m² Front room 2 - 27m² Back room 3 - ...
