DESCRIPTION

...

Built in 1773, this amazing property of 470m² comprises a main residence of 350m² in immaculate condition, a self-contained two-storey apartment of 120m² to renovate, a small two-storey outbuilding with a meditation room and a magical garden with an ornamental (plunge) pool fed by a waterfall!

The property is perfect for a large family wanting to be within walking distance of local shops and schools. It would also be ideal for anybody hoping to use part of it for business premises or to set up a boutique hotel, offer Bed and Breakfast or even open a Gîte d'Étape for pilgrims following the Chemin-de-St-Jacques-de-Compostelle, which passes through Orthez.

From the street, an entrance gate leads into a covered entranceway, with room to park a car (additional private parking at the far end of the garden). To the left is the front door into the main residence; to the right is a door into the apartment.

The front door of the main residence opens into an entrance hall with a carved wooden staircase, which leads up to three bedrooms on the first floor and two huge attics on the second floor. To the left of the entrance hall is a lovely reception room with a parquet floor and an open fireplace. A second reception room to the right of the entrance hall also has a fireplace, parquet floor and wood-panelled walls, which conceal a secret walk-in wine cellar!

A small interconnecting room gives access to a guest WC and leads...
