DESCRIPTION

...

This superb hilltop country estate is located in the foothills of the Pyrénées, halfway between mountain ski resorts and Pau. Built in 1775, the property comprises a huge L-shape farmhouse (370m² in total), a vast renovated barn (580m²) with eight guest bedrooms and a health spa area, three chalets (currently rented on long-term furnished leases), a swimming pool (14m x 7m), stables and 27 hectares of land (15 hectares of woodland and 12 hectares of meadows).

The L-shape farmhouse has been cleverly adapted to create two smaller farmhouses, with three bedrooms each. Linked by a connecting door, it would be easy to combine both buildings to recreate one large house with six bedrooms. Both farmhouses have been beautifully modernised, yet retain many of their original features, such as open fireplaces, exposed beams and exposed stone walls throughout. Both farmhouses could be rented out as holiday homes or it would be ideal for an extended family wishing to live together but in two separate houses.

The property's vast barn has been beautifully renovated and has a sunny roof terrace of 85m². There are now eight bedrooms on the first floor of the barn (each with its own shower room), along with a gorgeous open-plan main room with sitting, dining and kitchen areas, a gym and a spa area with two treatment rooms and a sauna. Ideal for Bed and Breakfast or for renting out to large groups for holidays and special occasions, it could also be perfect...
