IN BRIEF

This house incorporates a lot of beds for a property of its size, within a traditional setting, just 4km (typically less than 10 minutes by car) from the ski lifts and amenities of St Martin de Belleville, in the heart of the Trois Vallées ski area – the world's largest. The open-plan living area with fireplace is also a huge bonus for properties in this price range, as is the storage cellar beneath the house.

DESCRIPTION

Entering into the property from the quaint and characterful street, you come into the open-plan kitchen/living room with dining area that boasts an open fireplace and fully equipped kitchen. This floor also houses a recently renovated bathroom with shower and WC.

The first floor of the property is made up of 2 double bedrooms and a bunk room plus another bathroom (shower) and separate WC.

On the top floor, below the roof of the property, there is another double bedroom with some restricted ceiling height. There are a number of storage solutions in this area and the space is illuminated by a velux roof window.

The property has access to a lockable shared cellar area at street level, which could be used for skis, bikes, climbing gear etc.

The village of Villarenger is an increasingly popular year-round spot for locals and holidaymakers alike with fantastic summer walks from the bottom of the village over the Roman bridge, and access up to Le Chatelard on touring skis available in the winter.
