IN BRIEF

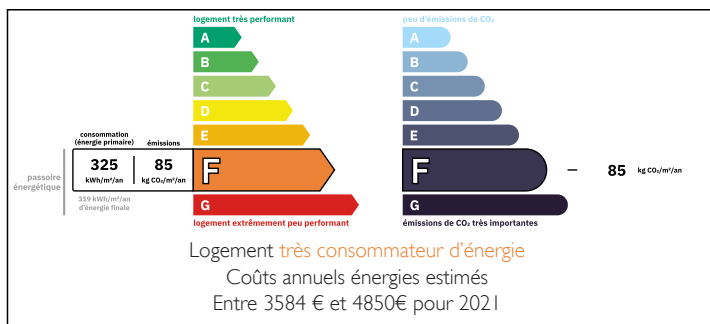

Set on a quiet road with views on the hills, this former farm comprises a large 4-bedroom house, a huge barn, a former tobacco drying barn and lots of small outbuildings, all opening onto the south-facing inner garden.

The house is habitable as it stands, but will be much more comfortable after renovation

Good to know : another plot (garden) of 850 m2 on the other side of the path

The barn and outbuildings are in good structural condition, with lots of potential. A lovely project with lots of charm, ideally located 10 minutes from Souillac (train and A20 exit) and 2 minutes from the Dordogne beaches! More details below
