## IN BRIEF

This magnificent property, built with love by two artisans for their mother in 1932 oozes charm and character. The attention to detail is exceptional, complete with a stunning fireplace that was once in a chateau, you can just see the care and thought that has gone into every aspect of this lovely building.

The current owners have renovated the property to a very high standard and it provides a very comfortable home, along with the added bonus of endless business opportunities - it used to be run as a successful garden centre.
