DESCRIPTION

Arriving at the front door via the lovely iron entrance gates and the beautiful front courtyard with its palm trees and various seating areas, the house features an entrance hall leading to the right, where you'll find a lovely, highly specified kitchen equipped with Bosch double ovens and an induction hob. At the rear of the kitchen, there is a walk-in pantry and access to the wine cellar - a must-have for any French character property. Beyond the kitchen, there is a lovely sitting room that is filled with light with its log burner and views over the courtyard.

To the left of the entrance hall, there is a WC, an office, and a dining room with a fireplace and wood burner whilst to the rear of the property there is a second living room / library with double doors onto the rear courtyard and to two storage rooms (one of which could be converted into an extra en-suite bedroom as it has water connections for a bath/shower room.)

A staircase from the lounge leads to three beautifully-presented double bedrooms, each with well-equipped en suite shower rooms. These bedrooms have previously been used for the bed and breakfast business.

A second staircase, located off the main entrance hall, leads to the gorgeous, double-aspect master bedroom, which includes a large storage cupboard and a shower room/WC. On the second floor, there is an office / fifth bedroom and a large attic storage area.
