IN BRIEF

Stone house combining character, spacious interiors and interesting features including: traditional "lauze" roof, pebble floor, beautiful stone barn, saltwater swimming pool, geothermal heating...

The ground floor of the house comprises a large living area, a second lounge, a bathroom, separate toilet, bedroom and dressing room.

On the first floor you will find a spacious hallway and two large bedrooms.

Completed by a beautiful stone barn with independent access, the property is located in a charming hamlet in the heart of the Vézère Valley, just a few minutes from Montignac.

A small flat in need of renovation offers potential for further development.
