DESCRIPTION

Just over the old bridge out of Confolens town centre you come to the Place de la Fontorse, where Wealthy merchants have traditionally lived. A few metres from the Fountain you will find this property which was previously a shop with living accommodation above. All four floors are approximately 85m2 and have been partly converted by the current and previous owners. A renovation is required but this has lots of potential as either a family home or rental property.

There is approximately 200m2 of garden to the rear. Confolens will provide you with most of the amenities you need and the bigger towns of St Junien, Bellac, Limoges, Poitiers and Angoulême are all within an hour.
