DESCRIPTION

Over three levels, the building consists of a one bedroom apartment and a shop or office space on the ground floor. The entrances for these units are at the front of the building.

The rear of the building gives access to a communal entry hall with stairs to the upper floors.

On the second floor, there is a large apartment of two bedrooms. The third floor is divided into 2 x one bedroom apartments.

Each letting unit has it's own meter for the electric, water, and oil fired central heating.

The property benefits from double glazed windows throughout.
