IN BRIEF

This charming, old stone mill is very tastefully renovated. It consists of a pleasant house comprising a living room, dining room, kitchen, 3 bedrooms and an independent suite, all opening onto a covered terrace and a discreet swimming pool.

The outbuildings offer a wide variety of spaces (garages, cellar, workshop, horse boxes, etc.) offer the possibility of carrying out all your projects, storing comfortably and parking dry. All on a plot of almost 5 hectares.

And the list of positive elements is long: geothermal heating, photovoltaic panels, reasonable energy consumption, charm of the former groom with modern comforts, small pond, spring, passage of a stream at the edge of the property, private road, ... A real gem to visit without delay.
