IN BRIEF

Close to Bazas and all amenities accessible via the cycle path, in the middle of almost 3 hectares of unspoilt land, and at the bend in a quiet lane, you'll discover a large character house of 300m², with its gîte and outbuildings still to be converted totalling almost 250m².

Upstairs, two large bedrooms with two shower rooms and a separate toilet complete the upstairs sleeping area.

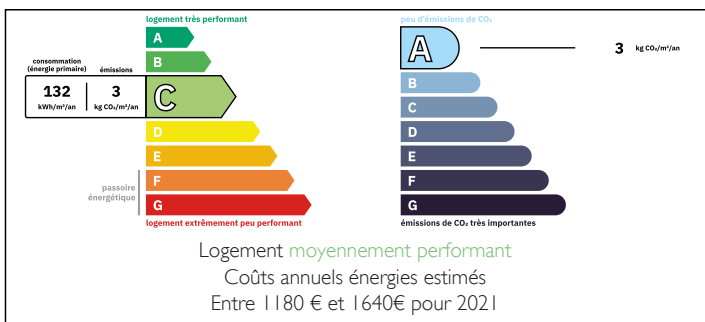

There is a large garage, a very practical storeroom and plenty of scope for further conversion.

In terms of energy: the insulation, window and door frames, pellet-fired heating with automatic feed and fireplaces (insert or open in the kitchen) are significant extras.

And on the outside, a large plot of almost 3 hectares (part of which is suitable for swimming pools) opens up a host of possibilities, and two wells are operational and very useful.
