IN BRIEF

This charming chalet sits on its own little bit of land in a highly desirable area. What makes this property so interesting is that there is a possibility to enlarge using the adjacent land that is sold with the chalet. It is also possible to raise the roof to provide another level. The back terrace area has a lovely open feel as its non constructible land.

NOTES

DESCRIPTION

Previously the chalet was split into 2 and the owner lived in one part and rented the other . There are still 2 access points, and 2 kitchens so this continues to be a possibility..

The chalet has been used for many years by Tour operators. And we are happy to help you find the right company to concierge your property if you choose to rent it.

There are 5 ensuite bedrooms, as well as a pretty lounge looking up to the iconic face du Bellvarde.

There are 2 exterior parking spaces close to the chalet. The current garage area is used for storage and a boot/ ski room.

Please do get in touch and we can share some images that have been drawn up of what could be achieved on the land.

We are based in Seez , just 30 mins from Val d'Isere all year and are happy to share details of local recommended architects , tradespeople to make your dream property a reality.

Val d'Isere village is located at 1850m with the top of the resort over 3456m.

The combined area of Val d'Isere and Tignes form the Espace Killy and boast over 300km of pistes as well as 2 Glaciers. High altitude combined with steep north facing slopes mean great snow conditions from late November until the beginning of May .

Val d'Isere benefits hugely from being very close to the Italian border and often gets snow from the east which results in...
