DESCRIPTION

A shared driveway leads to the privacy of a well-maintained garden with a treehouse looking back towards the main home. A barn to the left of the property (100m²) offers lots of potential both in terms of renovating as private accommodation and as a potential gîte business.

The main house is to the right with an open-plan living and kitchen area (25m²), centred around a cosy woodburner. The first bedroom is to the rear of the living area (19m²) and has two sets of double doors to the grounds. This could also serve as an impressive dining room.

Upstairs, the second bedroom is a good-sized double (12m²) with storage in the eaves and along the corridor is the third bedroom (7m²) (which would also be suitable as a study), the family bathroom and a separate WC.
