DESCRIPTION

This charming little stone built, detached, chocolate box cottage has plenty of character and is the perfect place to chill and relax. There is room for two cars in front of the house and plenty of room to park on the land through the gate to the side.

On entering the cottage you walk into the lounge with stone feature wall with log burner and on your left is the entrance to the kitchen and the bathroom with wc.

At the opposite end of the lounge is a door to the garden and another stone feature wall and the staircase to the bedroom and upstairs wc.

The one bedroom also has the stone walls and beams and the view out of the window to the front of the property across fields and an en suite wc.

The rear garden is of great proportions - currently laid to lawn with absolutely stunning views. There is a gate to the side of the property where you could park a Motor Home/Camper Van if you wish.

There is a neighbour next to the property and only one opposite with horses in the field.
