DESCRIPTION

To the front of the house, and overlooking the pretty gardens/pond, there is a country style kitchen with a very economical wood fired boiler/stove and open fireplace. A living/dining room also has great views and a fireplace (current closed but could be opened). Down the corridor with doors to the front and rear, there is a shower room with W.C.

Just off the living room there is a room, currently used as a storage room, but could easily be converted into a shower room. From here there is a bedroom with independent access from the garden. Upstairs there are three bedrooms and a bathroom with W.C. There is access to the attic space from the landing area, and the potential to create more living space if needed.

Outside there are lovely gardens everywhere, a large vegetable plot, an orchard, a beautiful pond and lots of outbuildings. The outbuildings offer all kinds of possibilities and are in good condition. There is a well with a pump, and the taps in the garden are connected to this. The pond is fed by all the rainwater collected from the gutters.

There is Fibre already installed, and the roof was entirely renewed ten years ago.

This is a wonderful property for those seeking peace and quiet away from neighbours, and needing space and plenty of outbuildings!
