IN BRIEF

This comfortable home is situated in a small village, less than 5 km from Montcuq. A welcoming front garden courtyard leads you to the covered main entrance door. The property has a nice flow, and the open living spaces are conveniently separated from the bedrooms by the pigeonier. You will find a perfect combination of the features of the old stone building, such as the Quercy stone walls and the wooden beams, with a modern, contemporary interior design. Polished concrete walls and bathrooms, steel door frames and travertine flooring provide a luxurious feel to this property, combined with a touch of elegance and timelessness. Lots of storage possibilities in the basement (with wine cellar!). A vegetable garden with fruit trees can be found in the back garden.
