## IN BRIEF

A detached house ideal for a first purchase or a quiet, easy holiday in the Charente! With its kitchen opening onto a lovely living room and a charming sitting room, its two bedrooms and two bathrooms, and its enclosed garden with covered terrace and swimming pool, this typical Charente stone house still has a lot to offer.

The stonework and exposed beams, the old fireplace with its wood-burning stove give this house charm and character.

An outbuilding (whose restoration is unfinished) could make an ideal guest house or gîte (the fireplace, veranda and terrace are already there). Other outbuildings and the enclosed garden will give you plenty of space for gardening, DIY or any other project you may have in mind.

In a quiet, leafy hamlet, the house is just 15 km from the small, dynamic town...
