IN BRIEF

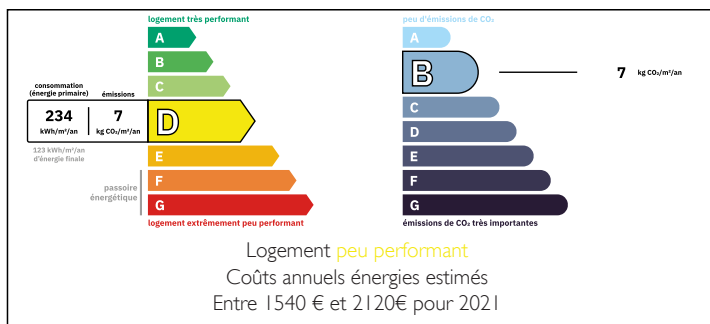

You'll find this old Quercy house style in a quiet village in the north of the Lot. Located 10 minutes drive from Souillac and the Dordogne river, the house features a living room with wood-burning stove and office area, a kitchen/dining area opening onto a huge veranda of over 40 m2 with large windows opening onto the garden.

Upstairs, four bedrooms and two shower rooms. Some refurbishment work is required, such as wallpapering certain rooms or modernizing the kitchen, but nothing major.

Atypical property with lots of charm and different levels that create different atmospheres and spaces.

Bonus: there's a large garage/cellar/laundry room adjoining the house, which could easily be converted into additional dwelling.
