IN BRIEF

Bourdeilles is a picturesque village in southwestern France, located in the Dordogne department of the Nouvelle-Aquitaine region. The village is known for its scenic setting along the Dronne River; it boasts a unique mix of medieval and Renaissance architecture. The Château de Bourdeilles, a historical landmark, includes both a medieval fortress and a Renaissance mansion, offering stunning views and a rich history dating back to the 9th century. Bourdeilles' cobbled streets, old stone houses, and vibrant countryside make it a charming destination for visitors seeking history and natural beauty.

DESCRIPTION

Welcome to this elegant and spacious property, accessed via electric gates and a private, gravelled driveway through a meticulously maintained garden. Built in 1982, this residence exudes charm and modern functionality. The main entrance opens to a large, bright hallway (15.68m²) leading to the kitchen (18.9m²) in front of you, and a spacious living room (58.86m²) on the left. The kitchen is equipped with ample fitted cupboards and offers scenic views of the garden. The inviting living room, featuring air conditioning and a cozy log-burning stove, is generously sized to accommodate a lounge area and dining setup. With four double-glazed doors opening onto a wrap-around terrace, this room is flooded with natural light.

Also on the ground floor is a beautifully finished bathroom, a WC, and three bedrooms, each with built-in wardrobes (11.52m², 12.67m², and 12.48m²). One bedroom currently serves as a summer kitchen with direct terrace access. The main bathroom on this level includes double sinks, a walk-in shower, WC, and towel rail.

The first floor unveils a walk-through dressing room, a large bathroom with underfloor heating and a slipper bath plus a spacious bedroom (49.95m²) with an ensuite (8.34m²) featuring a spa bath, shower, double sinks, WC, bidet, and heated towel rail. The second upstairs bedroom (15.69m²) includes a Juliet balcony, offering picturesque views of the countryside.

Modern comforts include double glazing, central heating via an air-source heat pump, and electric water heating powered by solar panels. Beneath the home lies a 22.5m² utility room,...
