NOTES

DESCRIPTION

Rare Opportunity: This majestic estate spans 28 hectares and offers vineyards (old vine Grenache, Syrah, Viognier on 9.5 hectares), almond trees on 2.5 hectares, olive and fig trees—a true ode to Provence.

Two access roads, one to the west and one to the north, lead to this noble bastide with its elegant architecture. Each facade features stone-framed windows, and the colors remind us that we are near the Ochres of Roussillon, which is why this area is nicknamed the "French Tuscany." The tree-lined park has hosted many ceremonies in the past, and its particularly peaceful atmosphere is perfect for such events.

The manor house, around 240m², is centered around a remarkable period staircase (16m²). The ground floor features a living room (36m²) with a beautiful open fireplace, a dining room (20m²), a kitchen (14m²), and a second entrance (16m²) on the southern facade, leading to a vaulted underground cellar. There is also a bathroom and WC (15m²), plenty of storage (14m²), and a bedroom (20m²) with an en-suite bathroom (15m²). The first floor offers a hall (33m²), 3 bedrooms (24m², 13m², and 10m²), and a vestibule (8m²).

Attached to the main house is a guest house of over 200m², which can be connected to the main building. This house features a large dining room and living area with an open fireplace, a spacious kitchen (52m²), a pantry (22.6m²), a semi-underground technical room (10m²), and a bedroom (16m²). On the mezzanine level, there are two bathrooms and WCs...
