NOTES

DESCRIPTION

Located in a peaceful rural hamlet, this property is perfect for nature lovers, with walking trails starting right from your doorstep and extending towards the nearby river. The property benefits from oil fuelled heating, underfloor heating in the house on the right of the main photo with the large lounge plus electric radiators and a wood burning stove.

The house is conveniently situated just 5 minutes southeast of Saint Martin le Bouillant and less than 10 minutes from Brécey. The Hippodrome de Bourigny is a short 3-minute drive away, while the larger towns of Granville (with its ferry port) and Saint Lô are around 40 minutes away. Avranches is also within a 30-minute drive.

Upon entering, you are welcomed into a spacious lounge featuring a wood-burning stove, which flows into a bright and well-equipped kitchen with a dining area and access to the outdoor terrace. The kitchen enjoys wonderful views of the surrounding hills. This level also includes a bathroom with a large corner bath and a separate toilet. Upstairs, a landing leads to the main bedroom, which showcases an exposed stonewall feature, along with a generously sized shower room with WC.

The lounge also connects to a large dining room, currently set up as a spare bedroom. From here, you can access the second part of the house, which could serve as a separate gîte. This section has its own cosy lounge area leading into a kitchen-dining room with direct access to the front terrace. A...
