DESCRIPTION

Nestled in a peaceful hamlet near Digoin, this beautiful farmhouse offers an enchanting blend of rustic charm and potential. Perfectly located along a quiet road, this property provides easy access to all amenities, including a train station with connections to Le Creusot and the TGV.

The farmhouse features a spacious living room with an open kitchen, two cozy bedrooms, a bathroom, and a laundry room, all conveniently located on the ground floor. The property boasts several outbuildings and barns, as well as a genuine wine cellar with historic wine barrels, an old press, and a large fermentation barrel. The attic offers additional usable space. The house is habitable and could be extensively extended by utilising the upstairs space. The fosse is non-conforming but works perfectly well.

NOTES

The farmhouse sits on a generous 5000m² plot of flat, fully enclosed land, surrounded by hedges and meadows where the regional Charolais cows graze. Enjoy breathtaking views of the surrounding hills from the terrace with sensational sunsets. The property is safely situated on a hill, eliminating any risk of flooding from the nearby Loire River. The neighborhood is quiet with minimal traffic, offering a serene and tranquil living environment.

This is an excellent project for a DIY enthusiast looking to create their dream home. Don't miss out on the opportunity to own a piece of history with endless possibilities!
