IN BRIEF

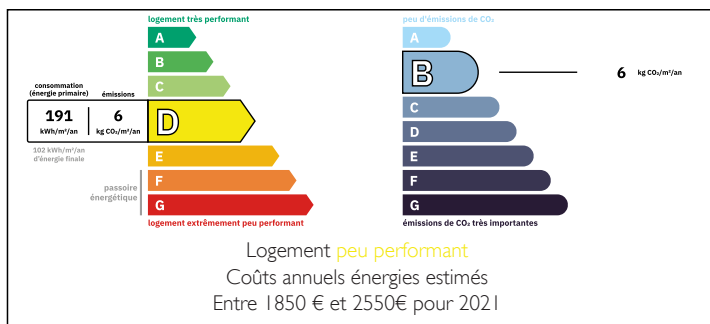

This is a spacious and light-filled one level property. Designed for the current owners and built in 2003, it offers a combination of large living areas centering on the kitchen as the heart of the home. Perfect for entertaining, and with three glazed doors showing views over the countryside this is a kitchen and dining area to enjoy! Off the kitchen, there is a utility room with plenty of space for storage, additional fridges, washing machines, and an additional separate WC. Heating is supplied by electric heaters and a wood-burning insert fire.
