DESCRIPTION

Entrance hall, lounge with fireplace. Open plan kitchen and dining area, balconies off both living areas and the master bedroom. This all sets the scene for very special sundowners !!

The main house is all on one level, with three bedrooms, two bathrooms - one en-suite.

The Gite is on the level below the main house, again with its own access and gorgeous outdoors terrace.

The Gite comprises a living room, open plan kitchen and dining room, a large bedroom and bathroom. Doors lead from the living room to the terrace where the sunshine and views can be embraced.

The swimming pool and surrounding entertainment area is to the side of the house.

There is an enormous double garage and workshop area, providing all that one could wish for in terms of a 'man-cave'.

The garden is beautiful, maintained as parkland but affords a feeling of space and, honestly, the views are simply incredible.
