NOTES

DESCRIPTION

Layout

On the top floor, you will find a bright living room of nearly 28 m², open to a functional kitchen. The exposed wooden beams and the built-in fireplace add a touch of charm and warmth to the living room. The living room opens onto the covered terrace, offering stunning views of Cavalaire-sur-Mer and the Mediterranean Sea. Two bedrooms, each around 10 m², also enjoy sea views and have doors leading directly to the terrace. Both bedrooms are equipped with built-in wardrobes. The original bathroom and separate toilets complete this level.

Kitchen

The fully equipped kitchen, although a little dated, offers a practical space with a gas stove and large oven. There is plenty of storage thanks to the long wall of cupboards, and the large window floods the kitchen with natural light, allowing you to enjoy the view while cooking.

Ground Floor

A staircase leads to the ground floor, where a spacious open area of around 26 m² awaits your personal touch. With large French doors letting in plenty of light, this space offers endless possibilities: an additional bedroom, a second living room, a playroom, or even a relaxation area—the potential is vast.

The ground floor also includes two bedrooms, each around 10 m², a second simple bathroom, and separate toilets.

Outdoor Spaces

The house is surrounded by several terraces, some of which could benefit from a little maintenance. At the front, a lovely shaded terrace under a carob tree offers a perfect spot for relaxing. Nearby, a brick pizza oven...
