DESCRIPTION

With a living area of 117 m², this single-story villa features a generous living space including a cozy living room with a wood-burning insert fireplace, a dining room, a fully equipped kitchen, and a laundry room.

It also offers two spacious bedrooms, both with built-in closets, an office, and a recently renovated shower room with a separate WC.

A large, fully enclosed garden of 1076 m² provides plenty of room for outdoor activities, gardening, or simply enjoying the serene surroundings.

A greenhouse is included for your gardening hobbies, ideal for growing plants, flowers, or vegetables year-round. You will also have access to canal water to maintain the green spaces.

A spacious garage offers ample room for your vehicles, tools, and storage, adding extra convenience. In the basement, large cellars provide exceptional storage space, and a dedicated workshop is perfect for DIY enthusiasts or those with creative projects.

The home is equipped with a wood-burning fireplace insert, electric radiators, double paned windows in most of the house, and reversible air conditioning in the living/dining room.
