DESCRIPTION

.Between Lake Geneva and Mont Blanc, Châtel stands out as a village offering an exceptional lifestyle all year round. Whether in summer or winter, you'll enjoy immediate access to the ski slopes, with the Petit Châtel ski lifts just 150 metres away, allowing you to explore the entire CHÂTEL LIBERTE ski area. A direct link connects you to the PORTES DU SOLEIL resorts (Morzine, Avoriaz, Les Gets, etc.).

Easily accessible by French and Swiss roads, Châtel also has taxi and bus links to Thonon-les-Bains station and Geneva international airport. This intimate development, comprising just 28 2- to 5-room duplex flats, offers generous space and top-of-the-range features (brushed wood walls, parquet flooring, electric roller shutters, etc.). Each flat has its own outdoor space (terrace or balcony) with uninterrupted views over the Abondance valley. All flats come with parking, a cellar and a ski locker. This is a classic second-home purchase, with no obligation to rent. Châtel is enjoying growing popularity nationally and internationally, thanks to its authentic charm and year-round appeal. What's more, ski-in/ski-out properties of this quality are rare in the resort. Art Mony therefore represents an investment opportunity with high potential for asset enhancement, while offering the chance to acquire a mountain pied-à-terre for weekends or skiing holidays in one of Europe's largest ski areas.

The property does not offer social housing. The basement includes various types of parking, ranging from single spaces to double garages.
