IN BRIEF

This modern house of nearly 120m², with 4 bedrooms including one on the ground floor, is located in Redon, just outside town with great views and easy access to the countryside and the canal!

When you're not in the countryside or in town or popping up to Paris, you have a garden of about 500 m² which should be easy to maintain

The garage, which has been converted into a room (to be completed) with a "free" space could perhaps be transformed into a studio with independent access to give you one, or maybe two rental investments!.

Double-glazed throughout and equipped with roller shutters and other energy performance materials.

To finish the kitchen, units and equipment need installing, all connections are waiting, so you can fit your dream kitchen without any 'renovation' cost or waste.

A bedroom and a bathroom are also on the ground floor.

The utility room leads to the old garage.

Upstairs, there are 3 bedrooms, a bathroom and a separate toilet.

In addition to its TGV station, the growing town of Redon has a characterful 'old' town centre and modern retail estates around the edge. It offers all the facilities and convenience for daily life; schools and colleges, local shops, supermarkets, cinema, doctors, cultural and sports associations..

Its marina, at the crossroads of the Oust and the Vilaine rivers, gives direct access to La Roche Bernard and to the ocean, by boat. The nearest beaches are within a 50km drive. Come and see this hot property now, start your new life!
