DESCRIPTION

Property Layout

- Open-plan kitchen and living area on the entrance level
- A bedroom and bathroom on the second level

A fibre internet connection point is already in place. The roof is in good condition, with recent repairs made where leaks had previously occurred from the neighbouring property's roof.

Renovation Requirements

This property is in need of a full refurbishment, which includes (but is not limited to):

- Electrical rewiring
- Complete plumbing
- Bathroom fixtures
- Kitchen installation
- Heating system
- Plastering
- Internal decoration

Drainage System

As there is no mains drainage in the village, a sanitation system is required. Options include connection to the shared sanitation network or installing a small-scale septic system in the garden. A local trades person has provided a quote for the supply and installation of a micro-station in early 2024 at a total cost of approximately €8,500.

This property holds great potential as a holiday home or as a cosy, low-maintenance residence.
