DESCRIPTION

Brantôme enchants visitors with its picturesque location on the Dronne, which completely surrounds the old town centre. The Saint-Pierre Abbey, whose origins date back to Charlemagne, characterises the townscape, as do the Romanesque bell tower and the mysterious caves of the first Benedictine monks. With its historic bridges, charming alleyways and lively history, Brantôme is one of the most beautiful villages in the Périgord - and the gateway to the Périgord-Limousin Regional Nature Park.

This superb farmhouse, completely renovated in 2011 by experienced local craftsmen, offers you an ideal living environment in the Périgord. Set in a large plot of 28,000 m², partly wooded and fenced, this house enjoys a secluded location yet is close to Brantôme.

The interior is spacious and functional, with 85% of the living space on one level, with generous volumes and sloping ceilings in some rooms. There is a large 47 m² living room with 'Polyflamme' stone fireplace (open and closed hearth for excellent performance), a fitted kitchen with wood-burning cooker, a 23.6 m² study and a number of practical storage areas.

Outside, you will enjoy a south-facing terrace with local stone paving, partially covered, offering magnificent views over the wild countryside. The outbuildings include a wooden barn with three horse stalls and a garage with space for two cars.

Infrared radiator heating and a wide range of outdoor layouts for optimum comfort.

This property is perfect for those who want to live in peace and quiet in the Périgord, without having to worry...
