IN BRIEF

A very pretty, detached stone cottage with 2 bedrooms and attached barn on closed land of 3740m2. It is a wonderful tranquil spot and there are beautiful views over the woodland and the river, which flows through the property. The current owner has added a stunning wooden terrace to the rear of the property to take full advantage of the views. The large, attached barn could be converted to provide more living space and the outbuildings could be made into a gite, if required. It is situated on a tranquil countryside 'chemin', which is a no through road.

This area has multiple lakes and rivers, walking tracks and scenic areas.
