## IN BRIEF

In Sérignan, just 8 minutes from the Mediterranean, this 115 m<sup>2</sup> townhouse offers the perfect opportunity to create your own dream home. Fully renovated structurally — insulated roof and walls, double glazing, new water and electrical systems — the interior is left unfinished, ready to be designed exactly as you wish.

An architect's concept plan suggests a large 37 m<sup>2</sup> living area with kitchen, 3 bedrooms (9 to 9.5 m<sup>2</sup>), a 3.5 m<sup>2</sup> shower room, WC, utility room, and an 8 m<sup>2</sup> mezzanine beneath 4.7 m ceilings.

The 57 m<sup>2</sup> garage offers private access, ideal for storage or workshop use.

Located on a calm street with car access reserved for residents, within walking distance of shops, restaurants and a renowned school, between Béziers and Narbonne, this is a rare blank canvas combining character, freedom, and prime coastal location.

## DESCRIPTION

Imagine creating your very own home under the Mediterranean sun — designed entirely to your taste. Situated on a low-traffic street where only residents have vehicle access, this structurally renovated townhouse offers 115 m<sup>2</sup> of habitable space across two levels, plus a spacious 57 m<sup>2</sup> garage — all ready to be transformed into your personal masterpiece.

The essential work has already been completed: the structure is solid, the roof and walls are insulated, double glazing and a Linky meter are installed, and all electrical, water, and drainage systems are in place. The interior is intentionally left completely unfinished — no interior walls, flooring, kitchen, or bathrooms — giving you total freedom to shape your home exactly as you envision it.

An architect's concept plan is available to guide inspiration:

Ground floor: large 57 m<sup>2</sup> garage with independent entrance, ideal for private use, workshop, or storage

First floor: open living space of 37 m<sup>2</sup> designed for a kitchen and lounge area, with a 3 m<sup>2</sup> utility room and a 2 m<sup>2</sup> WC

Second floor: ceiling height of over 4.7 m allowing the creation of a mezzanine (8 m<sup>2</sup>), and potential for three bedrooms (9 m<sup>2</sup>, 9 m<sup>2</sup>, and 9.5 m<sup>2</sup>) plus a 3.5 m<sup>2</sup> shower room — offering flexibility for family living, guests, or a creative home office

All technical drawings are available, and the seller can recommend reliable local craftsmen and builders to help you complete the project to your preferences and budget.
