DESCRIPTION

This is an extremely well-maintained property, regularly updated by the owners over the last 20 years. The end result is a modern, comfortable interior, with lots of space for family and guests, and great outside spaces to take advantage of the sunny Mediterranean climate.

From the front door you enter into a warm and inviting hallway leading to the fully-fitted kitchen (13m²) to the left, a convenient cloakroom and WC, and, to the right, the sitting room (28m²) with fireplace and parquet floor. This room benefits from air-conditioning. There is access to the large terrace (45m²) with open views.

The sitting room leads on to the dining room (13m²) also with parquet floor and patio doors to the terrace.

On this level there is the master bedroom (19m²) with air-conditioning and fitted wardrobes, a full bathroom and separate WC.

A staircase leads down to the lower ground floor, with 3 bedrooms (20m², 13m² and 9m²), 2 shower rooms, the boiler room, laundry room, store rooms and the garage (21m²).

There is a large sun room (27m²) which leads out to the terrace and swimming pool area.

The pool is a 10m x 5m, self-regulating salt water pool. The liner was replaced in 2023, and there is a new cover for this year.

The exterior of the house was repainted in 2024.

The fully enclosed garden is south-facing, with a greenhouse, sunken patio and mature shrubs providing privacy.

Furniture available by separate negotiation.
