## DESCRIPTION

The original double front doors, carefully restored, lead into a lobby and entrance hall with their traditional decorative floor tiles, and to the right, the  $20m^2$  living and TV room, with its panelled doors and spacious walk-in cupboard. To the left, the dining room, with its delightful patterned floor tiles. It has room for relaxing as well as dining!

Opening onto this is the fully-fitted timber kitchen and breakfast room, which has a glazed door to the street, and also has decorative floor tiles. From here there is direct access to the garage/wine cave/workshop, and a downstairs WC.

On the south-west side of the property is the completely private  $50m^2$  courtyard, with walls in stone and brick, a lilac tree, arums and a yucca; and an evocative  $12m^2$  stable with its original fireplace, ideal for the creating a summer kitchen.

Above the wine cave/garage is its loft space, with its traditional winding gear still in place for bringing the grapes up for fermentation! Back in the house, the staircase leads upstairs from the main entrance hall, and a corridor gives access to four bedrooms, the marble-effect tiled luxury bathroom, with both bath and walk-in Italian shower, and a separate WC. At the end of the corridor, there is a doorway to the loft space above the...
