IN BRIEF

Come and discover this Napoleonic property dating from 1862, with its magnificent, impeccably restored Tuffeau stone façade (photo on request).

Its 215 m2 of living space over 3 floors include a large living room on the ground floor with an old fireplace and oak parquet flooring. The old wooden staircase leads up to the first floor, where there are two bedrooms, each with its own shower room, toilet and dressing room, as well as a study.

The staircase continues to the attic, which has been converted into a bedroom with shower room, toilet and dressing room, as well as a space that could be used as a study or for storage.

Each bedroom has access to one of the three bathrooms, offering both privacy and convenience. The courtyard, with its pleasant flowers and not overlooked, is perfect for outdoor meals....
