NOTES

DESCRIPTION

Situated on a quiet one way road, but within easy walking distance to the shops, bars and restaurants the lovely medieval town of Rochechouart has to offer. The recently renovated chateau, which is now a modern art museum, is part of the stunning view from the rear of the house which also includes the valley and lake below.

You enter into the lounge (15m²) with feature fireplace (electric) and an internal hallway (6m²) leads you past a downstairs WC with sink, to the kitchen/dining room (16m²). Fully glazed sliding doors lead onto a lovely covered terrace (8m²) with the wonderful views. A few steps down takes you to an outbuilding used for garden storage (5m²) and a 2nd room as a summer kitchen and storage room (10m²) , which has another lovely, decked terrace with fabulous views up to the chateau. At the bottom of this terrace is a small terraced garden which is set out as a pretty potager.

On the first floor, you will find a landing with sitting area (5m²) to enjoy the views and then a lovely double bedroom (11m²) with ensuite shower room & WC (3m²).

On the second floor, you have the 2nd bedroom (12m²) and ensuite shower room with WC (3m²) and this time, the landing (6m²) is slightly bigger so this area could be used as an occasional bedroom and/or would make a great office space.

The property has double glazed windows throughout and there are electric heaters in each...
