DESCRIPTION

This attractive investment property stands out not only for its proximity to Carcassonne's world-renowned medieval citadel, but also for the quality of the renovations and the smart, functional layout throughout.

The four furnished apartments have been designed with comfort and practicality in mind, offering a warm and inviting atmosphere for guests or medium-term tenants. Every detail has been considered to make each space feel like a home, stylish, cosy, and easy to maintain.

Currently rented on a short-term basis, each apartment is fully equipped with crockery, kitchen utensils, appliances (fridge, microwave, kettle, coffee machine, toaster), and a television, ready to welcome guests from day one.

On the first floor, one of the units enjoys a rare privilege in the historic centre: a 9 m² private terrace, ideal for al fresco breakfasts or unwinding with a glass of wine after a day exploring the city. Another apartment offers direct views of the medieval cité, open the window, and you're face-to-face with one of France's most iconic landmarks.

Upstairs, two additional units follow the same logic: well-appointed, stylish, and optimised for guest comfort, right down to the last detail.

And there's still more to unlock: on the ground floor, a 30 m² street-facing space remains to be developed. With high visibility and foot traffic, it's the perfect spot for a small business, boutique, café, gallery, or even a creative live/work conversion. A valuable asset with strong income potential.
