IN BRIEF

Ideally located just paces from two popular bread shops and bars, this is a beautiful, spacious house in the heart of St Jean D'Angely. Located around a pretty walled garden, there is also a summer house with a mezzanine, perfect for guests or for use as an office or studio. The main front rooms have high ceilings and throughout there are a host of original features (exposed stone walls, plaster work, wooden floors) As there are currently 5 bedrooms and three bathrooms, there is good potential here to create a bed and breakfast or to have a large family home. There is potential for further development on the top floor.

There is a large garage.
