IN BRIEF

This property has so much potential to become a lovely family home. It has been a total renovation project for a number of years and, unfortunately, the storms during the last 2 winters have not been kind to the property and its condition has deteriorated. However, its location is outstanding, being on the edge of a quiet and friendly hamlet with stunning views and no near neighbours to overlook the house and gardens, which are a good size. Will someone provide the TLC that the property needs to bring it back to life?
