NOTES

DESCRIPTION

Dating from the beginning of the 20th century, this house was renovated over the years by its current owners.

It is built on three levels and two outbuildings complete the services.

On the ground floor there is a spacious entrance hall with cupboards, a living room with dining area and sitting area opening onto a covered terrace, a separate living room which can be converted into a bedroom, a fitted kitchen, a laundry room, a storeroom with boiler room and a toilet.

The first floor consists of a master suite with a dressing room and bathroom, two bedrooms, one with a dressing room, a large office, a shower room, and a toilet.

The second floor features two bedrooms and a convertible attic.

In addition, there is an annex consisting of a large double garage, a workshop and a wine cellar, and a second annex, a former small sheepfold, offering a storage room, an aviary and an animal park.

A magnificent swimming pool with its exotic wooden terrace completes the amenities of this charming residence.

The ground floor features underfloor heating, powered by a heat pump. A thermodynamic water heater and a solar water heater provide hot water to the house.

This property is ready to receive its new occupants and no work is required.
