DESCRIPTION

Set in a tranquil hamlet, this delightful home offers both comfort and potential in equal measure.

The ground floor features a spacious open-plan kitchen and dining area that flows into a cosy living room. The bathroom with shower, toilet and sink is also found on this level. A modern pellet stove provides efficient, eco-friendly heating for the entire house.

Upstairs, a mezzanine with a tall feature window opens onto two bedrooms, each with skylights that fill the rooms with natural light.

Outside, the large garden of approximately 1265m² is ideal for relaxing, gardening, or entertaining. The property also includes multiple outbuildings, including a sizeable barn that could be converted into a second dwelling, guest house, or workshop (subject to planning permission).

All windows in the house are double-glazed, ensuring excellent insulation and year-round comfort.

The village of La Trimouille is only 7km away and offers local shops, a doctor and more. The larger town of Montmorillon is just 20km away and has everything you might need — supermarkets, restaurants, schools, a hospital and train connections.
