NOTES

DESCRIPTION

With approximately 88 m² of habitable space across three main rooms (2 floors) in the main house, this characterful property is ready for a creative renovation. The current layout offers a solid starting point, with scope to transform and extend into the adjoining stone barn (45 m²) —ideal for additional living space, workshops, or guest accommodation.

Outside, the 239 m² plot includes a manageable garden—a rare and welcome feature for a village property.

Castelnau-Montratier is a picturesque bastide village known for its weekly market, lively community events, and beautiful arcaded square. All amenities are within easy walking distance: cafés, shops, a pharmacy, schools, and a swimming pool, making this a convenient and attractive location for full-time living or holiday use.

A full renovation is required. With vision and care, this property could become a warm and stylish home in one of the region's most sought-after villages.
