DESCRIPTION

Constructed in 2008 to an exceptional standard of craftsmanship, this impressive home sits in an elevated position, creating a commanding first impression and offering sweeping panoramic views.

Upon entering through the front door, you are welcomed into a spacious entrance hall (approx. 9.27m²). To the left, the generous sitting room (28.0m²) provides a warm and inviting atmosphere, featuring a wood-burning stove and two sets of double doors that open onto a large terrace—perfect for taking in the stunning countryside vistas.

The open-plan kitchen and dining room (22.6m²) is fully fitted with a range of high-quality cabinetry and natural stone countertops. From here, doors lead out to a variety of outdoor seating and entertaining areas, ideal for al fresco dining.

The principal bedroom (20m²) includes a beautifully appointed en-suite bathroom (9m²) complete with bath, separate shower, hand basin, and WC. Bedroom 2 (12.5m²) also benefits from an en-suite shower room.

A third shower room (7m²) with shower, basin, and WC is conveniently located off the hallway, adjacent to Bedroom 3 (also 12.5m²).

Stairs from the hallway lead to the lower level, where you'll find the expansive double garage and utility area. This space includes automatic garage doors, workshop area, laundry facilities, a WC, and the pool equipment. Despite the primary living space being on a single level, this lower floor offers excellent functionality and internal access.
