DESCRIPTION

Imagine: two charming homes waiting to be transformed into one spacious family residence or to serve as a clever investment in the French countryside. Located in the tranquil hamlet of Les Plaisirs in Les Cars, these houses offer countless possibilities.

These properties once functioned as two separate rental homes, each with its own cozy garden. They're ideal for anyone seeking flexibility and a solid investment.

House 1 offers a kitchen/dining room with a fireplace, a charming living room, a bathroom, and three comfortable bedrooms.

House 2 features a kitchen/dining room, a living room, a bathroom, and two bedrooms.

Both homes come with their own barn/garage, perfect for storage or as a workspace.

Good to Know:

You're investing in quality here. The homes are well-insulated with double-glazing in PVC frames, heating and hot water are electric, and a new septic tank has already been installed. This means fewer worries and immediate occupancy is possible!

Whether you dream of a large family home where everyone gathers, want to reduce your own living costs by renting out one property, or are looking for a solid investment, these homes offer it all.
