## IN BRIEF

This charming property, totaling 102 m², consists of two distinct dwellings—one measuring 40 m² and the other just over 60 m². It is situated on a spacious and pleasantly landscaped plot of 1560 m², offering a peaceful living environment. One of the two houses has been very recently renovated, while the other requires some work to enhance its comfort, but it is habitable as is. Each currently has one bedroom and a shower room, allowing for single-level living.

The proximity to the green line(a cycling pass) and the surrounding forests makes it an ideal place for a secondary or primary residence for a couple who wishes to entertain family or have additional income.
