IN BRIEF

A rare property with high potential - A life project or business opportunity

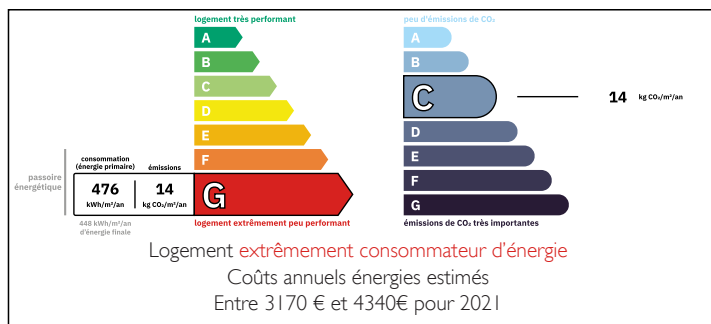

Located just 5 minutes from Civray, this property offers a unique setting for a residential renovation project or a professional reconversion.

The main house, which is habitable but in need of renovation, offers generous volumes: living room, kitchen, two bathrooms, two bedrooms, one of which is over 30 m² as well as a convertible attic. While significant renovation work is required, the structure is solid and full of authentic charm.

What truly sets this property apart are its outbuildings:

Two large, characterful barns frame the house. One of them, particularly remarkable, would be ideal for a wellness retreat, creative space, gîte, or event venue.
