Close to the centre of the market town of Peyrat le Chateau and within 8km of lake vassiviere, this is a lovely home with a lot of potential.

The house is a bungalow with additional space in the converted lower ground area. The front door leads into a hallway which runs the length of the house and all rooms are off it. Immediately to the left is the Lounge /dinner (22m2) with double doors leading out onto a raised terrace with stunning views. next to the lounge is the fitted kitchen which has been modernized but retains some charming original features.

At the end of the hallway are two bedrooms (12m2) and (10m2)

There is also a family bathroom and separate wc. A further door leads to the stairs down to the 'lower ground' area where you will find a third bedroom (10.5m2) shower room with WC and a large utility room (25m2)

Attached to the house is a double garage (24m2) with a room above which all could be converted into a Gite or as an extension to the house if wanted.

The mature garden is a manageable 740m2.

A very short walk will take you to the centre of the village where you will find Bakers, bars, Restaurants, Supermarket, Chemist, School etc...
