IN BRIEF

After parking in your private underground space, you can stroll to the centre of charming Méribel-Mottaret with its shops, restaurants and bars, or take the cable car that runs late into the night. Yet with a south-facing apartment offering panoramic mountain views, you may not want to leave at all. Apartment 102 combines comfort and elegance: three spacious bedrooms plus a bunk room for children or guests, four modern bathrooms, and a large, light-filled living area. Luxuriously decorated with plush fabrics and noble materials, it embodies refined mountain living. Two underground parking spaces, a private cellar and a ski locker ensure your holiday is stress-free, with cars, skis and bikes securely stored. Added advantages such as reduced notary fees, the possibility of reclaiming 20% VAT (conditions apply) and strong rental potential make this development a truly exceptional investment.

The resort:

Méribel-Mottaret, perched at 1700m altitude, lies at the very heart of the world-renowned Three Valleys ski area, boasting 600km of interconnected pistes. While climate change raises concerns for many ski resorts, Mottaret's altitude and advanced snowmaking systems guarantee ski-in/ski-out access for years to come. From here, Courchevel is less than 30 minutes away, the Belleville Valley equally close, and even Val Thorens, Europe's highest ski resort, is reachable in under an hour. Beyond winter, spring, summer, and autumn offer breathtaking experiences too.
