NOTES

DESCRIPTION

From the moment you step inside, the main living space feels bright, airy and welcoming. Traditional features have been carefully preserved, including exposed beams, striking black-and-white floor tiles, and the fireplace surround – all adding plenty of character.

From this room, you step into a modern fitted kitchen with direct access to the shower room and garden, plus a generously sized workshop.

Upstairs, a brand-new wooden staircase leads to a landing serving two double bedrooms and a convenient WC with washbasin. The entire floor boasts original terracotta tomette tiles and beautiful exposed beams, giving a real sense of authenticity.

The roof has been completely renewed, the electric radiators replaced in 2023, and the whole house has been freshly redecorated in clean white tones – ready to move straight into.

This property would make an ideal home for a couple working remotely, a rental investment opportunity, or a charming, low-maintenance country retreat.

Ideally located 3 hours from Paris via the A20 motorway (free of charge), 1 hour from Poitiers and 1.5 hours from Tours, the town of Mézières-en-Brenne is one of the French municipalities labelled "Commune Très Haut Débit – Fibre Optic" since 2017, and 'Village d'Avenir' since 2023. Public services are accessible from a 'France service' centre called Brenne Box, which is also a co-working, training and information space.

So... what are you waiting for? Come and see it for yourself !
